Rotary Club of Bettendorf Blanket Drive—Oct. 1—Nov. 1

There are hundreds of adults and families who need our help this winter. Shelters in our community tell us that the most needed item is a warm blanket. Seems simple, right?

Bettendorf Rotary is stepping up to fill this need and wants everyone to join us. Our goal is to gather enough blankets to cover an acre, or about the size of a football field, which is 800 blankets to fill the need.

You can donate gently used, clean blankets or new blankets at the drop off sites listed here, or send a donation via check or Venmo and Rotarians will purchase the blankets. Together we can make sure those who are in need stay warm this winter.
